401(k) & 457 Deferred Compensation Program

Introducing Your Tennessee Deferred Compensation Program Benefit

The Tennessee Services Association has partnered with the Tennessee Treasury Department to offer you the Tennessee Deferred Compensation Program. This voluntary retirement savings Program is now available to you as an employee of Weakley County.

This benefit includes:

- Access to both governmental 457(b) and 401(k) plans
- Roth contributions available in the 401(k)
- No cost to the local government to join the Program
- Participants can choose from a variety of quality investment options and additional services

The Program offers the experience and expertise of a dedicated staff, an independent investment consultant, an oversight committee, and an industry-respected record keeper, Great-West Retirement Services®, a division of Great-West FinancialSM. Given the extraordinary events taking place in our economy, the need for financial foresight and planning is extremely important.

This packet of information includes a side-by-side comparison of the 457(b), 401(k), and 401(k) Roth Plans, a Participant Enrollment Form, a Managed Accounts Form (which authorizes qualified financial experts to select and manage your investment options and account(s) for a fee), and a list of your current investment options with the associated risk scales.

Should you have any trouble understanding this information, or need further assistance, you may schedule a personal consultation with Weakley County's Great-West Financial Representative. Contact us, at the Weakley County Department of Finance, to schedule an appointment for that service: 731-364-5429.

Designated percentages must be whole numbers and must add up to 100% for primary and 100% for contingent beneficiaries.

Plan Beneficiary Designation

Subject to and in accordance with the terms of the Plans, I am making the above beneficiary designations for my vested account(s) in the event of my death. If I have more than one primary beneficiary, the account(s) will be divided as specified. If a primary beneficiary predeceases me, his or her benefit will be allocated to the surviving primary beneficiaries. Contingent beneficiaries will receive a benefit only if there is no surviving primary beneficiary, as specified. If a contingent beneficiary predeceases me, his or her benefit will be allocated to the surviving contingent beneficiaries. If I fail to designate beneficiaries or if all of the above beneficiaries predecease me, amounts will be paid first to my surviving spouse, and if there is none, to my estate. This designation is effective at the time it is recorded to my account by the State's record keeper, which is currently Great-West Retirement Services (GWRS). If any information is missing, additional information may be required prior to recording my beneficiary designation. This designation supersedes all prior designations. Beneficiaries will share equally if percentages are not provided and any amounts unpaid upon death will be divided equally. Primary and contingent beneficiaries must separately total 100% in whole percentages. If I designated a minor beneficiary, I also noted above the name of the guardian or parent, if other than myself. Designated ROTH, 401(k) and 457 deferrals are subject to different distribution limits. I understand that I may change my beneficiary designation at any time by filing a Beneficiary Change Form with the State's record keeper.

5. Participant Agreement

I understand that funds may impose redemption fees on certain transfers, redemptions or exchanges if assets are held less than the period stated in the fund's prospectus or other disclosure documents. I understand that I have the right to direct the investment of my account and that I can change my investment allocation from the Plan's default fund at any time by logging on to my account at www.treasury.tn.gov/dc or by calling KeyTalk at 1-800-922-7772. A personal identification number (PIN) that will give me access to my account via the Web or phone will be mailed to me soon after my application is processed. I acknowledge that I am responsible for keeping the assigned PIN confidential and that I must notify GWRS if I suspect unauthorized use.

I have received a copy of the Deferred Compensation Plan Document and understand the terms and provisions thereof.

The Plan Document is incorporated into this Participation Agreement and that these together constitute my entire rights and obligations under the Plan. This form is a legally binding contract. I understand that by signing and submitting this Participant Enrollment form for processing that I am requesting to have investment options established under the Plan(s) as specified on this form. I understand that this account is subject to the terms of the Plan Document.

Account balances shall only be distributed under the terms of the Plan Document, which prohibit any payouts as long as I continue in employment with the State or a participating Political Subdivision except in the case of financial hardship as defined by applicable 401(k) plan regulations or at age 59 1/2. Special penalty and limitations may apply to 401(k) distributions and designated Roth 401(k) deferrals. Limits on 457 hardships are more restrictive than 401(k). Requirements vary by plan.

I understand that the maximum annual limit on contributions is determined under the Plan Document and/or the Internal Revenue Code. I understand that it is my responsibility to monitor my total annual limit on contributions to ensure that I do not exceed the amount permitted. If I exceed the contribution limit, I assume sole liability for any tax, penalty, or cost that may be incurred. I understand that Federal income tax is deferred on allowable pre-tax contributions and the earnings thereon until such amounts are distributed. I understand that Roth 401(k) contributions, earnings, and distributions are treated differently.

I understand that in the event my Participant Enrollment form is incomplete, or it is not received by GWRS in Nashville, Tennessee prior to the receipt of any deposits, I consent to GWRS retaining all monies received and allocating them to the default investment option which is selected by my Plan. I understand that once my account has been established, I can transfer monies from the default investment option by logging onto my account at www.treasury.tn.gov/dc or by calling KeyTalk at 1-800-922-7772. Also, I understand that all contributions received after my account is established will be applied to the investment options I selected. I also understand that it is my obligation to review my confirmations and quarterly statements and inform GWRS of any discrepancies or errors within 90 calendar days of the date of such confirmation or statement.

401(k) and 403(b) share a single contribution limit of \$17,500 for 2014. I understand that I am responsible for any excess contributions and taxes thereon.

I understand that fees may apply under the Plan(s) I selected above. The fees vary by fund and are on the Plan's Web site (www.treasury.tn.gov/dc/).

DESCRIPTION OF SERVICES AND FEES

Your employer or Plan Administrator has agreed to make the below service offered by Advised Assets Group, LLC ("AAG") available to you.

Managed Account Service: The Managed Account service is geared toward participants who wish to have a qualified financial expert select among the available investment options and manage their retirement accounts for them. You will receive a personalized investment portfolio that reflects your Plan investment options and retirement time frame, life stages and overall financial picture, including assets held outside the Plan (if you elect to provide this information to AAG), which may be taken into consideration when determining the allocation of assets in your Plan account. (AAG will not provide advice for, recommend allocations of, or manage your outside or non-Plan assets.) Under the Managed Account service, AAG has discretionary authority over allocating your assets among the core investment options, without your prior approval of each transaction. AAG is not responsible for either the selection or maintenance of the investment options available within your Plan. AAG does not provide advice for or recommend allocations of individual stocks, self-directed brokerage accounts, guaranteed certificate funds or employer-directed monies. Your balances in any of these investment options or vehicles may be liquidated subject to your Plan's and/or investment provider's restrictions.

Account assets in the Plan's core investment options will be automatically monitored, rebalanced and reallocated every quarter by AAG, based on data resulting from the methodologies and software employed by the Independent Financial Expert, to respond to market performance and ensure optimal account performance over time. You will receive an account update and forecast statement annually and can update your personal information at any time by calling AAG at your Plan's existing toll-free customer service number.

The tiered pricing described in the table below applies to the Managed Account service. You will be charged a quarterly fee based on your account balance that AAG manages on the day the fee is debited. The fee will generally be debited from your account within the last five (5) to seven (7) business days of each quarter; however, if you cancel participation in the Managed Account service, the fee will be based on your account balance on the date of cancellation and will be debited from your account within five (5) to seven (7) business days prior to the end of the quarter in which the cancellation request was presented. As well, if your Plan terminates its agreement with AAG or its service agreement with Great-West Life & Annuity Insurance Company, the fee will be debited within five (5) to seven (7) business days of such termination. The fee you are charged depends on the Plan in which you participate, and, in certain instances, the fee for the Managed Account service may actually be lower than the fee depicted below. **For the exact fee applicable to your Plan, please refer to the communication materials provided by AAG or ask your employer or Plan Administrator.**

Participant Account Balance	Maximum Participant Fee
<\$100,000.00	0.60 %
Next \$150,000.00	0.50 %
Next \$150,000.00	0.40 %
>\$400,000.00	0.30 %

For example, if your account balance is \$50,000.00, the maximum fee is 0.60% of the account balance. If your account balance is \$500,000.00, the first \$100,000.00 will be subject to a maximum fee of 0.60%, the next \$150,000.00 will be subject to a maximum fee of 0.50%, the next \$150,000.00 will be subject to a maximum fee of 0.40%, and any amounts over \$400,000.00 will be subject to a maximum fee of 0.30%.

Your acceptance of the terms and conditions of this Agreement constitutes your authorization for AAG to deduct the quarterly fee. The fees are subject to change. AAG reserves the right to offer certain plans discounted fees or other promotional pricing.

Certain investment options in your Plan may charge a redemption fee. Redemption fees vary in amount and application from investment option to investment option. It is possible that transactions initiated by AAG under the Managed Account service may result in the imposition of a redemption fee on one or more investment options available in your Plan. Any redemption fees will be deducted from your account balance.

If you do not provide the required personal data necessary (i.e., your date of birth, gender, annual income, and current state of residence) in either the Plan Enrollment Form or Managed Account Election Form, AAG will be unable to process your enrollment into the Managed Account service.

If you participate in the Managed Account service, you must allocate all of your account balance to the service. You may not invest in other core investment options while also participating in the Managed Account service. Once enrolled in the Managed Account service, you will no longer be able to make investment allocation changes to your account online, via paper or through your Plan's existing toll-free customer service number. This includes functionality for fund-to-fund transfers, changing fund allocations or utilization of Dollar Cost Averaging and/or Rebalancer. Once enrolled, you retain full inquiry access to your account, and you may still request and be approved for loans and take a distribution.
